# ST PETER'S CHURCH

*Southfield Road, W4 1BB*

## ABOUT THE CHURCH

St Peter's is a lively Church of England congregation worshipping in the Anglo-Catholic tradition, as it has done since the church was founded in 1915.

We exercise our ministry in partnership with St Michael and All Angels, Bedford Park.

## MISSION

We aim to reveal God's love in Acton Green and North Chiswick by building a strong sense of community through a congregation committed to worship within the Anglo-Catholic tradition, serving the local community through social engagement.

## COMMUNITY

Our hope is to grow as a community of communities: a place for all to meet, a centre for art, music, dance along with other social and cultural events.

## FR FABRIZIO PESCE

*Vicar*

Fr Fabrizio cares deeply about evangelism and making the church the centre of community life.

He was born and brought up in Puglia, Southern Italy and worked for many years in Buenos Aires, Argentina as a missionary priest.
